Catfished, Phished, and Swindled:
Don't Fund a Scammer's Vacation!

Nevada County Law Library in Collaboration
with Nevada County Library (Madelyn Helling Branch)
980 Helling Way, Nevada City

Presented by Jerame Evans, Director of IT

Attendance may be in person, at the Collaborative Technology Center of the Madelyn Helling Branch of the Nevada County Library, or via Zoom from 12:00 p.m. – 1:00 p.m. This seminar is geared towards the non-legal community, although everyone is welcome to attend. No MCLE credit is offered. These seminars are designed for information only and do not constitute legal advice.

About the Seminar

Dive into the world of online scams and hacks in this engaging and informative session. From phishing emails and text message traps to tech support scams and fake online stores, we'll uncover the sneaky ways scammers target individuals. We'll also explore common hacking techniques like ransomware and public Wi-Fi dangers. By the end of this talk, you'll know how to recognize red flags, protect your personal information, and adopt best practices to keep yourself safe online. Don't let cybercriminals fund their vacation on you; come learn how to stay a step ahead!

About the Presenter

Jerame is the Director of IT (Information Technology) for Nevada County Superior Court, where cybersecurity is a foundational pillar of his work. With over 20 years of experience in IT, Jerame has held leadership, project management, and technical roles, including a long tenure in the casino industry. He was directly involved in responding to a major cybersecurity incident in 2021, giving him firsthand insight into the challenges of modern cyber threats.
